# SCRAPPY THE SQUIRREL

**Find and circle the words with 'scr' in them.**

Scrappy the Squirrel never was hungry. He could find scraps of food anywhere! His favorite food to find was scrambled eggs. All the other squirrels hated him for it. They wanted to find the scraps themselves. One squirrel even tried to scratch Scrappy, but he was too fast.

One day, Scrappy was walking slowly on a path. He wasn't looking where he was walking and stepped on a screw. He screamed in pain!

'OWWWWW,' Scrappy screamed.

The screw was stuck in his foot. The pain in his foot was so bad he couldn't walk. He tried to scratch the screw out, but it would not work.

All of a sudden, a man came screaming down the road in his car. He could not stop! The wheels were screeching as they sped down the road. Scrappy tried to scramble, but the pain was very bad. The car was driving faster than a jet plane and was heading straight for Scrappy.

Scrappy then remembered he had a screwdriver in his pocket! He had been fixing his car the day before and had forgotten to take it out. He bent down and quickly unscrewed the screw from his sore foot. The pain went away instantly, and he quickly scrambled out of the car's way.

'That was close!' said Scrappy.
